■ A WHOLE NEW EXPRESSION  
OF REFINED MODERN LIVING

## OUR STORY

Since our first inception in the year of 2004, Supercool Creative Culture has been vigorously undertaking intense challenge in the residential and commercial landscaping industries. Supercool Creative Culture strives for an expression to complement your living aspirations with ample space. One such advancement is the apparent establishment as a benchmark in landscaping, construction, renovation and home improvement sectors in Malaysia.

Passion and persistence are the ultimate determinants driving the people behind Supercool Creative Culture brand - constantly aiming to give our customers great values. Only selective natural tropical woods are being used ranging from classical balinese to modern contemporary, you will be undoubtedly overwhelmed by the captivating and enchanting resort-like creation.

Supercool Creative Culture, a whole new expression of refined modern living.
